BookMyPG

A platform to provide effortless Paying Guest Services.

Vision

Our vision is to create a platform to facilitate both a property owner to share his property details and Paying Guest to find suitable property with one-click hassle-free payments.

Values

We value our users, YOUR COMPLAINTS MATTER. We allow our users to drop their complaints and the PG- Owners will get it resolved.

Our Services

Post your property

1 Post your property details here and we will get you the paying guests. We will also manage the payments every month.

Get a cozy accommodation

2 Post your property details here and we will get you the paying guests. We will also manage the payments every month.

Easy payments

3 We value your time and provide you easy and hassle-free rent payments every month for the property you are staying in.
